PUBLIC STATEMENT OF JOANNA SHUFELT

EIS000588

DEC 02 1999

1 . MS. SHUFELT: My name is Joanna Shufelt, and [I] would just like to say that I lived in Nevada almost all my life, and it's a beautiful state. And I just don't want to see it get ruined by other people's waste, and because it's none of our waste, and so we shouldn't have it here. ]
